The following lists represents the recommended consumable supplies for your child's individual use. Items may need to be replenished if lost, used up, or damaged. We encourage families to re-use any items from last year that that are still in good condition. Please label ALL supplies and drop them off at Meet the Teacher Night on August 15, 2019 anytime between 3:30 and 6:30PM. The "Wish List" items at the bottom of each school supply list are provided to help parents who want to know what they can donate to help out the teacher and classroom.
